H.F.H Experiences Christmas Miracle

Thanks to the generosity of our community, The Haven Family House experienced an unforgettable Christmas. It started out normal, Car's Hill Baptist Church donated funds to help purchase gifts, and as they do every year, Grace Brevard Church committed to providing Christmas presents for the children as well. When a shipping delay threatened to leave Christmas morning without gifts, an anonymous donor stepped in and personally shopped for each child. Then, on Christmas Eve, Grace Brevard arrived with bags of gifts for every child. What could have been a disappointing holiday became a beautiful reminder of the care and compassion that surrounds our families.

"The kids faces just dropped. We have never seen a Christmas like this. We couldn't believe it!"

☒ House of Hope: breaking ground April, 2026

Thanks to your generous donations thus far the renovations can begin!

Shelter Spotlight

Home at last!

In the last month, two guests from the Haven Thomas House and one family of four from The Haven Family House have all moved onto permanent housing! Charles (pictured above) has been struggling with homelessness for the last 10 years. He was in and out of facilities or staying with family/ friends but nothing was ever stable. He came to The Haven looking for help and guidance. We were able to get him on the housing authority waiting list right away. After 18 long months of waiting, Charles is finally able to have his own place and be in charge of his own future. The second guest was once a master electrician who worked hard and made a good living. He left everything to live with his sick mother and take care of her. Years later, she passed away and an ugly legal battle took everything away from him. Leaving him homeless and stranded. He struggled living from hotel to hotel and working odd jobs to get by. He joined the housing authority waiting list two years ago. Even though he worked everyday and was sober, they were still not moving him up the list. He heard of our reputation and how we were a facility that helped individuals move to the next step. He came here hoping to get moved up on the list and it worked! After five months of being here he is now able to move into permanent housing where he can finally rest and heal.

Message from the Director

This was a strong quarter because our donors believe in dignity, stability, and care about our community as a whole. With your continued support, we will keep identifying the evolving needs of our community and working alongside our partners to ensure those needs are met. - Emily Lowery

Special Feature

This editions Shout Out Goes to Brevard Elementary!

Small Hands, big hearts <3

Four children from Brevard Elementary put there efforts together to make a big impact! We were shocked when we received a call from a teacher at Brevard Elementary explaining that a group of kids had made bracelets and sold them to raise money for The Haven of Transylvania. The kids were so excited that they asked if they could come down and personally deliver the check themselves. Tears were shed, excitement was shared, and a heartwarming memory was made that will last a lifetime. A very special thank you to these amazing kids for their kindness, generosity, and hard work!
